Happy or Sad

Jane was happy 😊 because she was wearing her new dress. It was time to go to school. Mom told Jane to put her shoes on. Jane could not find her shoes, and that made her sad 😞. Jane was happy 😊 when her mother found her shoes.

At school, Jane's teacher said that her dress was pretty. Jane was happy 😊 about that. At lunch, Jane spilled milk on her new dress and she was sad 😞. When Jane got home, her mother told Jane not to be sad because they could wash the dress and it would be as good as new. Jane was happy 😊 when she saw that her new dress was clean.
